

NCAA LIVE PERIOD TEAM AND EVENT GUIDELINES

ATHLETES

- All athletes participating in NCAA-certified non-scholastic events MUST have an active account in the NCAA Basketball Certification System (BBCS) – [Basketball certification](#).
- Athletes will use previous log-in accounts that were created and ARE NOT to create a new account. Only athletes that have not previously registered in the BBCS should create a new account.
- A step-by-step guide can be found here [Create a BBCS account](#).

COACHES

- Prior to coaching in any NCAA certified event, ALL coaches are required to register as a USAB Gold Licensed coach. That link can be found here. [USAB Gold License coach registration](#).
- After obtaining a USAB Gold License, a coach must then log into the BBCS to activate their account at [BBCS account activation](#).
- Only NEW coaches should create a new account. Previous coaches that have used the BBCS in the past should use their same log-in credentials.
- For a more detailed guide, please click the following link. [Detailed guide to coach registration](#).

For any further questions, please contact the High Major Sports staff or visit the NCAA certification page. [NCAA certification page](#).
